SUNDAY · 20 MINUTES

Prep once, cook fast all week

- 1** Move the chicken from the freezer to the fridge (it needs 24 hours to thaw).
- 2** Cook 2 cups (370 g) of rice. Cool it, then refrigerate for Monday's fried rice. Cold rice fries best.
- 3** Dice 2 onions. Store them in a sealed container for Monday and Thursday.
- 4** Cut 4 carrots into sticks for Tuesday. Keep them in water in the fridge so they stay crunchy.
- 5** Rinse and drain 2 cans of black beans for Tuesday.

PICKY EATER SWAPS

Won't eat "bits" in their rice? Leave the peas out of their portion of the fried rice and serve them on the side.

Spice-shy? Use half the taco seasoning and put the salsa on the table instead of in the bowls.

Hates soup? Drain theirs: chicken, noodles and carrots with a little cheese on top is a whole other dinner.
